

Makes Cooking Easy

Any Time Is Baking Time With A Glenwood

The Easy Rolling Twin Grate Bars, neatly geared to roll forward or back, so quickly clean and brighten the old fire that perfect baking can be done at any time—morning, noon, or night.

The Marvelous Glenwood Oven, surrounded by hot air chambers is under perfect control, and can be uniformly heated to the moderate temperature of 300 degrees for the most delicate cake, or quickly advanced to the correct biscuit heat of 450 degrees.

This is made possible by the Glenwood Balanced Oven Damper and the Patented Glenwood Indicator that accurately registers the heat already in the oven and tells at a glance whether to open or close the sliding air valve. It's so plain and easy a child can understand.

NO FOOD FOR THE BOLSHEVIKI

Nansen's Plan for Neutrals
to Supply It Making
No Headway

WOULD PROLONG
LENINE'S REIGN

Situation in Russia Is Grad-
ually Returning Now to
Normal Conditions

Paris, April 28 (By the Associated Press).—Dr. Fridtjof Nansen's plan for the neutrals to supply food to Moscow and Petrograd is apparently making little headway. He has been unable to communicate with Nikola Lenin, the bolshevik premier of Russia and the opposition to the plan among the Russians here as representatives of the anti-bolshevik governments and in the French press is becoming more pronounced.

The Russian representatives insist that armies which are now making an excellent showing against the bolsheviks should not be hindered by attempts to help the bolsheviks by sending food supplies.

They urge that plans for supplying food to bolshevik Russia would only prolong the ascendancy of Lenin and his colleagues and prevent a speedy restoration of normal conditions.

The defeat of the bolsheviks at Kiev, in the Archangel section on the Baltic front and along the two branches of the trans-Siberian railroad, is regarded by Nicholas Tschakowsky, head of the provisional government of northern Russia, and his associates as proof that transportation facilities are failing the bolsheviks and that they are no longer able to shift their armies quickly enough to meet attacks.

A PLEA TO PLANT MORE VEGETABLES

To Make Up for the Loss of Fruit Due
to the Recent Cold Wave.

Washington, April 28.—A plea to plant more vegetables to make up for the loss of fruit due to the recent cold wave was sent to-day to the victory gardeners of the country by the national war garden commission.

"With probable losses in fruit for canning," said President Pack of the commission, "victory gardeners must look ahead to next winter and plant more vegetables so the supply of food for canning may be increased."

The statement also called attention to the opening to-morrow in the more northern states of the victory garden drive and stated reports to the commission showed more acreage is being cultivated by communities and business concerns for employees this year than ever before.

BORN IN MOUNT HOLLY.

A. N. Priest of Athol, Mass., Found Dead
By Roadside.

Athol, Mass., April 28.—Alphonse N. Priest was found dead beside the road

April 25 by Fred French. J. F. Cuddy, medical examiner, pronounced heart disease as cause of death. Mr. Priest made his home with his daughter, Mrs. Burton J. Collier. He left the house but a short time before his body was found. He was 69 years of age, a native of Mount Holly, Vt., and lived in Athol 42 years. For 20 years he was employed in the Lee Bros. shoe factory. He was a member of the Golden Cross and Methodist church.

NATIVE OF VERMONT.

Dr. W. E. Lawrence Died in Woodsville,
N. H.

North Haverhill, N. H., April 28.—Dr. William E. Lawrence of this town passed away at the Woodsville Cottage hospital, Woodsville, N. H., April 19, 1919.

Dr. Lawrence was born in the town of Eden, Vt., Aug. 1, 1871. When he was about five years of age his parents moved to Monkton, Vt., where he spent his boyhood. He was educated in the common schools of Monkton, Hinesburg academy and Beeman academy at New Haven, Vt., from which he was graduated in 1891. He later attended the University of Vermont and received his degree as physician from the Baltimore Medical college, Baltimore, Md.

After receiving his degree he took special work and training in the Boston City hospital, Boston, Mass. He took up the active practice of his profession in August, 1898, at Worcester, Vt. After practicing there for a period of about four years he removed to North Haverhill, N. H., where he had since resided and practiced his profession.

He was united in marriage to Edith Bidwell of Monkton, Vt., on Dec. 1, 1898, who survives him, as well as a daughter, Marion, aged 19. He also is survived by his mother, Martha A. Lawrence, who resides in Fitchburg, Mass.; a sister, Mrs. Arden Lawrence, residing at Bristol, Vt.; a brother, Ellsworth Lawrence, residing in Malone, N. Y.; a brother, Bert Lawrence, residing at Fitchburg, Mass.; and a sister, Lydia J. Lawrence, residing at Fitchburg, Mass.

Dr. Lawrence was a member of the Masonic lodge at Montpelier, Vt., and the Odd Fellows at North Haverhill, N. H.

For a number of years he had been visiting physician for the Cottage hospital at Woodsville, N. H., and at the time of his death he was medical referee for Grafton county. He also was a member of the American Medical association, New Hampshire State Medical society and Grafton County Medical society.

He was a member of the New Hamp-

shire legislature in 1913-14, and a delegate to the state constitutional convention in 1912.

During his residence in North Haverhill he had been a member of the board of education, trustee of the Haverhill academy, trustee of the savings bank at Woodsville and held many other positions of trust and honor.

HIGH HONOR TO ST. JOHNSBURY WOMAN

Dr. Charlotte Fairbanks Made Citizen of
France and Presented Medal by
French Government.

St. Johnsbury, April 28.—The distinct honor of being decorated by the French government has come to one of St. Johnsbury's leading physicians, Dr. Charlotte Fairbanks, daughter of the late Prof. and Mrs. Henry Fairbanks. She has for six months been special surgeon on the staff of the American Woman's hospital at Luzancy, France.

She arrived in Paris Nov. 1, 1918, and was there when the armistice was signed. The work of the hospital corps, all women, has been in the devastated regions of France, the hospital being in a former chateau.

The entire staff have been made citizens of France, the highest honor the government can bestow; they have all been presented with medals from the government, and Dr. Fairbanks was given a gold medal, with impressive ceremonies. The presentation took place on a Sunday before the municipal council.

There were present the mayor of Luzancy, the mayors of surrounding towns, the sous-prefet, comparable to our governor, and the deputy from Meaux, who is the French equivalent of congressman. The medals were designed by Henri Dubois, a famous French artist, for this special occasion. The obverse shows a girl bringing palms and offering flowers in gratitude, and the reverse shows at the top a girl wearing a laurel crown, and at the bottom a girl drinking the waters of consolation. On the obverse is engraved, "To Charlotte Fairbanks," and on the reverse, in French, "In witness of the appreciation of the suffering people."

Dr. Fairbanks volunteered last fall and expects to remain with this unit until September, 1919. The hospital will be at Blerancourt, where a citizen has built a barracks containing 75 beds.

Dr. Fairbanks is a graduate of St. Johnsbury academy and of Smith college, took a course in chemistry at Yale and is a graduate of the Woman's Medical college, Philadelphia, in which city she practiced before coming back to her home town, where she has practiced for a number of years.

Another of this branch of the Fairbanks family who has received foreign honors was Thaddeus Fairbanks, Dr. Fairbanks' grandfather, inventor of the scale, who was knighted by the Austrian emperor at the Vienna exposition and decorated with the insignia of the Imperial Order of Francis Joseph. He also received from the king of Siam the golden medal and decoration of Pas-

pamala, and from the bey of Tunis the diploma and decoration of Nishan el Iftikar, commander. To the day of his death he was known and affectionately venerated as Sir Thaddeus Fairbanks.

WILL RETIRE MAY 1.

Eight Shipping Board Officials to Return
to Private Business.

Washington, April 28.—Charles Piez, director general and general manager, and seven other administrative officials of the shipping board emergency fleet corporation will retire from office May 1 to resume private business, it was announced here to-day. Mr. Piez will return to Chicago, and Howard Conoley, vice-president in charge of administration, will return to Boston. The other retiring officers are Admiral G. H. Rousseau, head of the shipyard plants division; Charles F. Wallace, assistant to the director general, Daniel H. Cox, head of the ship construction division; Gordon Wilson, general auditor; R. W. Leatherbee, head of the industrial relations division, and M. D. Ferris, head of the contract division.

WOMAN SUFFERED 12 YEARS

Finally Made Well by Taking
Lydia E. Pinkham's Veg-
etable Compound.

Emmitsburg, Md.—"I suffered for twelve or fifteen years, and was treated by a physician, but got little relief. I saw an advertisement of Lydia E. Pinkham's Vegetable Compound in my newspaper, so thought I would try it, and it did me more good than all the doctor's medicine. I am a farmer's wife and do my house-

work all the time, and I am better now than I have been for years. I am never without Lydia E. Pinkham's Vegetable Compound in the house and have recommended it to several of my friends. You are perfectly welcome to publish my letter for the good it may do other women."—Mrs. ETTIE WARREN, Emmitsburg, Md.

Backache and nervousness are symptoms or nature's warnings, which indicate a functional disturbance or an unhealthy condition which often develops into a more serious ailment.

Women in this condition should not continue to drag along without help, but profit by Mrs. Warren's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Med. Co., Lynn, Mass.

COAL FACTS

No. 3

The price you pay for coal in your home is made up of the following items:

Mine Price
Freight

Retailers' Cost of
Doing Business

Retailers' Net
Profit
